

A budget gridlock doesn't have
to put a stop to your paycheck!

Preserve payday peace of mind.

As a legislative employee, you may be eligible to have your net paycheck deposited to your designated checking or savings account — even if the budget is not enacted in time for the fiscal year.

In the event the State cannot pay you, **SAFE Credit Union** is ready to help! SAFE offers an interest-free loan in the amount of your regular net paycheck. And, there is no fee for this service!

You will have access to your net paycheck deposit, giving you the peace of mind that you can conduct banking as usual without worrying about the effect of the budget impasse on your livelihood.

To join SAFE and apply for this unique service, visit a nearby branch or call (916) 979-7233 or (800) SEE-SAFE.

SAFE works hard to provide exceptional experiences and offer innovative solutions in these challenging times.

To qualify for an interest-free State Employee Payroll Loan, you must have a credit score of 640 or higher, provide a recent pay stub, and sign up for Direct Deposit. If you're currently a SAFE member, you can easily apply for this service. Terms and conditions subject to change. Some restrictions may apply. See SAFE for details.
